

REMARKS

The Examiner objected to the misidentified serial number (U.S. Patent Application Serial No. 09/605,112) at page 1, line 12 of the Specification. However, as the Examiner will note from the Amendment dated January 23, 2004, the Cross-Reference to Related Applications was already revised to only refer to U.S. Patent Application Serial No. 09/604,197.

Nevertheless, a new Declaration in which the correct priority claim is claimed is submitted herewith. If there are any fees associated with this Response, the Commissioner is authorized to charge any such fees to Deposit Account No. 11-1145.

Wherefore, a favorable action is earnestly solicited.

Respectfully submitted,

KIRSCHSTEIN, OTTINGER, ISRAEL & SCHIFFMILLER, P.C.
